Initial Assumption of Inherent Risks:

The F45 Playoff event (hereafter referred to as the F45P event) is meant to be an extreme test of toughness, strength, stamina, enjoyment, skill, cardiovascular, and mental grit that takes place in one place in one day. It is not a race against other contestants, but rather a competition with oneself and the Course. The object is to complete the Course that has ten varying exercise stations that you complete repetitions within. Activities include rowing, box jump burpees, chin- ups, push-ups with knee tuck, lateral hops, Russian abdominal twist, shuttle sprint lateral hop, over shoulder dead ball throw, squat press, bench hops. In summation, the F45P event is an arduous, challenging activity that presents the ultimate physical and mental challenge to participants.

I acknowledge that the F45P event is an extreme test of my physical and mental limits that carries with it inherent risks of physical injury. Inherent risks are risks that cannot be eliminated completely (without changing the challenging nature of the F45P event) regardless of the care and precautions taken by F45 and the other Released Parties. I also understand that the F45P event is extremely strenuous and further acknowledge the accompanying risks and dangers generally present in such activities. I understand that these hazards may be magnified due to the fact that the F45P event is often conducted under all weather conditions and circumstances.

I understand and acknowledge that the inherent risks include, but are not limited to: 1) contact or collision with objects (e.g., contact or collision with machinery and fixed objects or obstacles); 2) equipment related hazards (e.g., broken, defective or inadequate competition equipment, unexpected equipment failure, imperfect Course conditions, limited hand rails to contain exercise area, slippery fireman’s pole,); 3) weather-related hazards (e.g., extreme heat, extreme cold, humidity, ice, rain, fog); 4) inadequate first aid

and/or emergency measures; 5) judgment- and/or behaviour-related problems (e.g., erratic or inappropriate co-participant or spectator behaviour, erratic or inappropriate behaviour by the participant, errors in judgment by personnel working the event; and 6) natural hazards (e.g. lightning strikes, earthquakes).

I further understand and acknowledge that any of these risks and others, not specifically named, may cause injury or injuries that may be categorised as minor, serious, or catastrophic. Minor injuries are common and include, but are not limited to: scrapes, bruises, sprains, nausea, and cuts. Serious injuries are less common, but do sometimes occur. They include, but are not limited to: property loss or damage, broken bones, fractures, torn or strained ligaments and tendons, concussions, exposure, dehydration, heat exhaustion and other heat-related illnesses, mental stress or exhaustion, infection, vomiting, dislocations, hyperthermia, hypothermia, anemia, electrolyte imbalance, loss of consciousness, syncope, dizziness, fainting, seizures, electric shock and/or injury, and neurological disorders/pain. Catastrophic injuries are rare; however, we feel that our participants should be aware of the possibility. These injuries can include but are not limited to, permanent disabilities, stroke, single or multiple organ failure or dysfunction, physical damage to organs, spinal injuries, paralysis, heart attack, heart failure, blood cell disorder, brain swelling, and even death.

I understand that it is my responsibility to inspect the Course, fireman’s pole, hand rails, facilities, equipment, access, surface and areas to be used, and if I believe or become aware that any are unsafe or pose unreasonable risks, I agree to immediately notify appropriate personnel and not participate in the event. By participating in the F45P event, I am acknowledging that I have found the Course, facilities, equipment, hand rails and areas to be

used to be safe and acceptable for participation. I accept full and sole responsibility for the condition and adequacy of my equipment.

I understand fully the inherent risks involved in the F45P event and assert that I am willingly and voluntarily participating in the F45P event. I have read the preceding paragraphs and acknowledge that 1) I know the nature of the F45P event; 2) I understand the demands of this activity relative to my physical condition; and 3) I appreciate the potential impact of the types of injuries that may result from the F45P event. I hereby assert that I knowingly assume all of the inherent risks of the activity and take full responsibility for any and all damages, liabilities, losses, or expenses that I incur as a result of participating in the F45P event. In short, I acknowledge that I am participating in the F45P Event entirely at my own risk.

participation in the F45P event. This applies both to claims arising from the inherent risks of the F45P event or the ordinary negligence of F45 (or any Released Parties).

The cost of such action shall be shared equally by the parties.
